Accel Color Corporation Earns ISO 9001:2008 Certification

(Pittsburgh, PA) SRI Quality System Registrar is pleased to announce that it has recently awarded an ISO 9001:2008 Management System certificate to Accel Color Corporation, located in Avon, Ohio, for the design and manufacture of custom-formulated coloring systems for plastics.

According to A. Joseph Falcsik, SRI's Vice President, Certification: "We are pleased to acknowledge that Accel Color Corporation has demonstrated effective implementation of a management system. ISO 9000 certification provides evidence to customers, suppliers, employees, and their community of their commitment to producing a quality product (service) and providing customer satisfaction."

ISO 9001:2008 is process based; certification recognizes organizations that can link business objectives with operating effectiveness. Companies that achieve management system certification to ISO 9001:2008 have demonstrated effective implementation of documentation and records management, top management's commitment to their customers, establishment of clear policy, good planning and implementation, good resource management, efficient process control, measurement, and analysis. Continual improvement has been institutionalized.

SRI Quality System Registrar is an internationally accredited registrar for management systems standards, such as ISO 9001, AS9100, ISO/TS 16949, ISO 13485, and environmental management systems standards such as ISO 14001. SRI also provides public training for auditing, implementing, and maintaining these standards.

Accel Color, a group company of Techmer PM, was founded in 1998 with the mission to bring products and services with speed, quality, and economy to the plastics processing industry. Accel Color offers a full line of custom and proprietary products and services including color and additive concentrates, dry color blends, chemical foaming agents, and toll and custom compounding from sites in Avon, Ohio, and Naperville, Illinois (Chicago).
